

Poštovani i cenjeni komitenti,

Obaveštavamo vas da se špic sezone u avio transportu iz Hong Konga i Južne Kine približava.

Zbog trenutno visokih troškova goriva, mnoge avio transportne kompanije su preusmerile svoje linije a mnoge linije su otkazane prošlih meseci. Očekuje se da će povećanje prostornih kapaciteta u najaktivnijim mesecima za avio transport biti vrlo limitirano. Na osnovu predviđanja tržišta, pregovora sa avio transportnim kompanijama i projektovanih potreba Schenker Hong Kong i South China uvode dodatak za špic sezone-Peak Season Surcharge (PSS), na sve avio pošiljke iz Hong Konga i južne Kine. Povećanje je usledilo kao neminovnost u cilju obezbeđenja dovoljnih prostornih kapaciteta.

Dodatak za evropske linije iznosi 2.00 HKD/kg u periodu od 15.09.-14.10.2008 doke će u periodu od 15.10-31.12.2008 iznositi 4.00 HKD/kg.

Srdačan pozdrav,

Schenker tim

Dear our Valuable Customers,

We would like to inform you that peak season for air cargo traffic from Hong Kong and South

China is approaching. Due to high current fuel cost, a number of airlines have repositioned their aircrafts routes and many flights have been cancelled during last few months. It is expected that the increase inspace capacity will be very limited for the coming busiest months of airfreight. The situation of market demand for space exceeding the limited available capacity is therefore foreseeable. Based on market forecasts, airline negotiations together with the projected capacity, Schenker Hong Kong and South China will levy a Peak Season Surcharge (PSS) on all air shipments moving out of Hong Kong and South China. Please refer to the below table indicating the projected peak season surcharge (PSS) indices of different periods by traffic lanes:

Region	PSS Period		Peak Season Surcharge
	From	End	
Transpacific	Sept 15, 2008	Oct 14, 2008	HKD 2.00/KG
	Oct 15, 2008	Dec 31, 2008	Additional HKD 2.00/KG
EMEA	Sept 15, 2008	Oct 14, 2008	HKD 2.00/KG
	Oct 15, 2008	Dec 31, 2008	Additional HKD 2.00/KG
Australia	Oct 1, 2008	Dec 31, 2008	HKD 3.00/KG
India	Oct 1, 2008	Dec 31, 2008	HKD 3.00/KG

Yours sincerely,

Schenker team
